Dietro ad ogni prodotto,
la nostra storia.
Our story is behind each product.

Ci occupiamo da oltre mezzo secolo di un oggetto quotidiano usato in tutto il mondo, soprattutto mai banale: la sedia. La nostra azienda è stata creata nel 1959 da Silvano Montina che ha da subito imposto i principi che rappresentano tuttora l'impronta della nostra attività: qualità dei materiali, cura del prodotto in ogni dettaglio ed attenzione alle esigenze del cliente. Siamo cresciuti con il passare degli anni con i nostri prodotti, le persone e una storia familiare straordinaria. È proprio grazie alla continuità generazionale che siamo riusciti, a partire dagli anni '90, a proporre le nostre collezioni al mercato nazionale ed internazionale consolidando la reputazione della nostra marca. Le nostre creazioni parlano di funzionalità, ma anche di design, di comfort ma anche di resistenza a severi test per soddisfare i nostri clienti nel settore contract e residenziale. Ogni anno con l'introduzione di nuovi modelli vogliamo confermare un'evoluzione continua, che ha radici nel passato, si afferma nel presente ed è proiettata al futuro. Sposando tecnica ed estetica, contribuiamo a rendere più belle, razionali ed accoglienti le aree dell'abitare, dell'ospitalità e dei luoghi di lavoro. Proponiamo la nostra anima italiana esportandola con successo in tutto il mondo ed esclusivamente 100% Made in Italy.

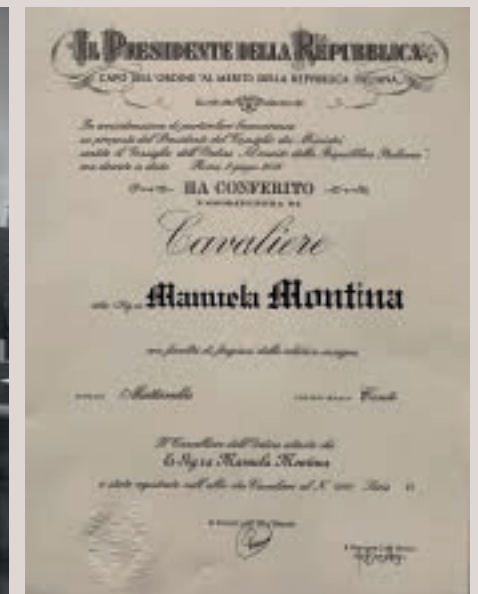

For over half a century we have been handling a daily object used the world over, above all never banal: the chair. Our company was set up in 1959 by Silvano Montina who at once left his mark by imposing the principles still representing our activity: quality of materials, care for both the product in all its details, and customers' requirements. As years unfolded we grew - with our products, people and no ordinary a family story. It is just thanks to our generational continuity that we managed - starting in the '90s - to propose our collections to the market, both domestic and international, while consolidating our brand name's reputation. Our creations exude functionality, as well as design, comfort - but even endurance, during severe tests, aimed at meeting our customers' requirements in the contract and residential sectors. Every year, as we adopt new models, we wish to confirm a continuous evolution, rooted in the past, which makes itself known in the present, and is projected into the future. By combining technique and aesthetics, we contribute to making the areas where we spend our lives, those of hospitality and the workplace, more beautiful, rational and welcoming. We put forth our Italian soul - exclusively 100% Italian-made - by exporting it successfully the world over.

Un profilo avvolgente, dalle linee morbide, caratterizza il disegno della scocca in poliuretano espanso. La scocca ignifuga ed indeformabile e il sedile cinghiato contribuiscono a rendere la seduta particolarmente confortevole. La famiglia declinata in due versioni, con struttura in legno e in metallo, e con diverse varianti di tappezzeria, si amplia ulteriormente con divanetto, maxi poltrona e pouf.

An enveloping profile, with soft lines, characterises the drawing of the backrest retaining plate, covered with polyurethane foam. The fireproof, nondeformable backrest retaining plate, and the seat with its supporting webbing straps, contribute to making sitting on it particularly comfortable. The family - offered in two versions, with structure in wood and in metal, and several upholstery variants - is now further enlarged, as it includes a small sofa, or couch, an extra-large armchair and a pouf.

Collezione di sedute, essenziale, moderna, ma allo stesso tempo solida e confortevole.

Particolarmente versatile grazie alle numerose varianti cromatiche e alla possibilità di comporre la seduta con rivestimenti in pelle o tessuto. Le linee tese nascondono un comfort, il colore laccato e le aniline svelano un linguaggio giovane ed elegante.

A seating collection which is essential and modern while being - at the same time - solid and comfortable.

Especially versatile thanks to the myriad colour shades and to the possibility of enriching your seating with either leather or fabric covering. The straight lines conceal the lacquered colours and anilines reveal an elegant, young style.

wave

design Edi e Paolo Ciani

Collezione di sedute elegante e sofisticata. La sinuosità delle curve rende Wave pregiata sia dal punto di vista estetico che produttivo, lo schienale infatti è realizzato con un unico pezzo di legno massello curvato. Lo schienale morbido e avvolgente e il sedile cinghiato contribuiscono nel rendere la seduta particolarmente confortevole. Il raffinato binomio legno massello e pelle o tessuto e la lavorazione della tappezzeria donano a Wave il fascino del dettaglio sartoriale.

A collection of smart, sophisticated seating items. The sinuosity of the curves makes Wave precious both aesthetically and from a production angle, the backrest is actually made with a single, curved piece of hardwood. The soft, enveloping backrest and the seat with its supporting webbing straps contribute to making it especially comfortable to be seated on this item. The sophisticated hardwood and leather - or fabric - binomial, and the way the upholstery is processed, regale Wave with the fascination that only a tailor could conceive.

design Edi e Paolo Ciani

Il grande successo di questo modello deriva dalla completezza della gamma. Sedia, poltroncina e sgabello disponibili con tre varianti di schienale, struttura in legno di faggio rivestita dalla tappezzeria in pelle o tessuto. Sedia e poltroncina rese impilabili per una maggior praticità di utilizzo. La famiglia inoltre si caratterizza con una fascia in legno massello sulla parte superiore dello schienale realizzato con un unico pezzo curvato. La struttura del sedile cinghiato è studiata per dare il maggior comfort alla seduta. Disponibile con finiture e tessuti standard e a campione.

The great success of this model comes from the completeness of its range. Chair, small armchair and stool are available with three backrest variants, structure in beech wood covered in leather or fabric upholstery. The chair and small armchair are made stackable so that they can be used and handled more practically. Also, the family features seating with a hardwood strip – or band – on the upper section of the backrest, made with a single, curved piece. The structure of the seat, with supporting webbing straps, is studied so as to make it very comfortable.

Un segno pulito abbinato a perimetri tondi tutta la qualità di un manufatto in legno. Il perimetro della struttura è sagomato e determina leggerezza e carattere, le finiture delle strutture si abbinano alle diverse superfici dei piani. Marmi, laccati ed essenze rendono Flen un vero e proprio sistema di tavoli sovrapponibili disponibili con tre diametri e tre altezze.

A sleek mark matches rounded perimeters with all the quality of a wooden artefact. The perimeter of the structure is shaped, determining lightness and character; the structure finishes match with the various plane surfaces. Marbles, lacquers and essences make Flen an authentic system of superimposable tables, available in three diameters and just as many heights.
