# Arper for Outdoor

Whether it is a space designed specifically for outdoor play or learning environments, or a space to meet and relax, outdoor spaces encourage healthy behaviors and improve the physical and mental wellbeing.

Outdoor spaces also connect people to the natural world—creating a sense of environmental responsibility and engaging them to become stewards of the planet.

**We are a fast-growing company founded in 1989 — a family business guided by an integrative, human-centered approach. We have grown from a furniture manufacturing business to an international design presence, dramatically increasing our turnover and adding hundreds of new employees to the Arper family.**

# Structure

## Arper capabilities:

- Three local production facilities, based in Italy (Treviso), US (High Point, North Carolina), and Japan allow us to ensure prompt delivery and assistance
- A global organization including 12 showrooms, 6 subsidiaries, 4 branches, 2 meeting hubs and a network of representatives guarantee a presence in over 90 countries
- Long-term partnerships with over 200 suppliers with unique expertise enable us to provide a full range of capabilities, from upholstery to metal work to carpentry
- Our product development team and sampling facilities are committed to research the latest innovations to be applied to our products

## Structure

# ARPER GLOBAL PRESENCE:

An extensive network of dealers across 90 countries.  
89% of our 2019 turnover came from export.
