HOSPITALITY FURNITURE

THAT'S AMORE

Una capsule collection che parte da una palette di colori forse inusuale in arredamento ma che ci ha molto divertito usare : il bianco, il rosso e il verde, simboli indiscussi del MADE IN ITALY

Ci abbiamo aggiunto un puro lino a quadretti stile trattoria e canvas nei colori del cielo e del mare

Ne sono usciti ambienti raffinati, vivaci, colorati, molto italiani

A capsule collection that starts from a color palette that is perhaps unusual in furniture but that we enjoyed using: white, red and green, undisputed symbols of MADE IN ITALY
We added a trattoria-style checkered pure linen and canvas in the colors of the sky and the sea

The result is refined, lively, colorful, very Italian environments
