FIXED SEATS

Modelli che hanno una caratteristica comune : la seduta fissa, senza cuscini.

Una rinuncia alla morbidezza solo apparente che origina forme essenziali e pezzi che sono a metà fra un divano e una panca.

Versatili e adatti sia a zone di sosta e conversazione, sia come sedute pranzo da abbinare liberamente alla classica sedia o a micro sedute come i pouf quadrati, tondi o con maniglie in cuoio

Models that have a common feature: the fixed seat, i.e. without cushions.

A renunciation of softness that is only apparent and that originates essential shapes and pieces that are halfway between a sofa and a bench.

Versatile and suitable for both rest, conversation and dining areas and to be freely combined with the classic chair or with micro seats such as square or round poufs or with leather handles
