## AN OUTDOOR EXPERIENCE

Self-care is essential to a healthy life. For this reason, it is necessary to always find some time to relax and have a suitable environment which matches your way of thinking and feeling.

Designed by **Bebo&Angel** for Dolcefarniente, the **Su-blime Collection** is able to turn any outdoor space into an exclusive environment which will allow you have a new perspective on life, recharge your energy, think about your well-being and, why not, dedicate some time to doing absolutely nothing, indulging in relaxation and enjoying your home.

To see things in a new light, it is necessary to be perceptive about the outside world. You only need to touch Twilight's sinuous shapes and geometric patterns to be taken on an extraordinary journey dedicated to the beauty of your own space and personal well-being, a unique experience for all your senses. Its refined textures and its peculiar colours in ethereal shades, produce a magical effect that can enrich an environment with natural elegance.

Twilight armchair and pouf, Aurora lamp

A piece of furniture by Dolcefarniente is able to generate positive emotions and an immediate feeling of fulfillment; something which can evoke your own idea of harmony. Perfect when you need to restore your energies. Each piece in the Sublime Collection has been designed with a specific purpose such as the Aurora lamps with their creative design. Two pieces designed not to be just simple lights but also important elements of your home. Subtly elegant items inspired by time and life. The alternation of light and shade created by their special diamond pattern will form an intimate bond between you and the environment.

The many details and finishes which enrich each piece show the great importance attached to the aesthetics of relaxation. Everything invites you to enjoy some relaxation time in a beautiful environment. The soft and sinuous lines, the modern and essential design are enhanced by the very refined structure. The shades, the reflections and the profuse upholstery fit harmoniously and naturally into the environment. Each element contributes to creating the right balance between the inside and the outside, between you and your own space. We believe that a beautiful item should always be able to cause a good emotion.

Comfort is an art which can blend a beautiful design with the pleasures of the mind. In the Sublime Collection, everything has a reason and everything has been designed to allow you to live harmoniously with yourself and with the outside world. Designed for this purpose, the fabrics have textures and colours that evoke suggestive atmospheres. The finishes of the steels and the semiprecious stones which enrich the furniture will be a reflection of your way of living and defining your environment in a masterly way.
