DECOR rappresenta il punto d'arrivo della ricerca Plust nel campo della sostenibilità, un blend unico ed esclusivo formato da ben l'**80% di materiale derivato dagli scarti della lavorazione industriale**, ai quali viene data nuova vita.

DECOR è un materiale **riciclato e riciclabile** che si differenzia da qualsiasi altro risultato ottenuto nel mondo del design, una finitura raffinata, materica, artistica.

Gli arredi Plust realizzati con **DECOR** vibrano della loro finitura, che sembra quasi un **terrazzo alla veneziana** contemporaneo e colorato, caratterizzando l'outdoor con forme eleganti e scultoree.

Illuminato nelle ore serali, **DECOR** mette in scena la propria anima trasformandosi in un **caleidoscopio** che esprime tutta la vita dei suoi colori.

***DECOR** marks the culmination of Plust's research in the area of sustainability, a unique and exclusive blend of as much as **80% material derived from industrial processing waste** that is given new life.*

***DECOR** is a **recycled - and recyclable** - material that differs from anything else in the design world. It has a refined, textured, artistic finish.*

*Plust furnishing items made with **DECOR** resonate in their finish, which almost resembles a contemporary and colourful **Venetian terrazzo**, characterising the outdoors with elegant and sculptural forms.*

*Illuminated in the evening hours, **DECOR** showcases its soul by turning into a **kaleidoscope** that expresses all the life of its colours.*
