

An outdoor patio area featuring a wicker sofa and armchair with white cushions and a green pillow. A glass-topped coffee table sits in front of the sofa. The furniture is on a patterned rug. The background shows a light-colored wall with a window and a wooden pergola structure. Green foliage is visible on the right side.

Assortment news 2022

Nr.02

Brafab

In 2022, we will be creating a restful outdoor paradise that works perfectly with all the beautiful ambient shapes. The inspiration originates from the calm elegance of nature with its mix of soft and sharp lines and the way it combines materials and structures. Allow your home to expand outwards with room for both relaxation and entertaining; this year we plan to make the most of every moment.

Outstanding outdoor spaces for outdoor lovers.

Crafted by Brafab in Sweden.

VILLAC

Villac is a modern, modular lounge group that can be assembled to form several elegant combinations and for 2022 we launch the cushions in two new fabric colours; Bistro Brown and Beige. You can easily vary a few sections to create your very own combination. There are also coffee tables in two different sizes. The tables can be used singly as a large coffee table and side-table, or together as a nest.

BLIXT

Modern lounge buildable sofa/chair with aluminium frame and textilene seat and for 2022 we add black as an option on the frame as well as a new corner table. Comfortable water repellent olefin cushions with liner. Inviting design and flexible use; build just a one-seater or build as long as desired. The tables in different versions can be used one by one or combined. They are constructed with a perforated top, not only a nice design detail but a smart way to let water flow away.

VENCE

Design and comfort in a harmonious combination where unbroken, clean lines in a meticulous design meet stylish comfort with features that are easy on the eyes. For 2022 we add black as an option on the frame. Vence is beautiful from every angle, and its harmonious proportions allow it to take centre position in any environment. A soft, embracing sofa with tailored back cushions for excellent comfort. The series consists of four sections; end-pieces, a three-seat sofa and a two-seat sofa to help you easily create the perfect seating group.

WELDON

Weldon is a series in appealing design and matte finish. The structural parts have all-weather cushions - perfect for Nordic climate. For 2022 we add colour Khaki on the frame as well as the colour Sand on the olefin fabric.

TALANCE

Talance is a series of rectangular side or coffee tables where you combine table base with different tops. They are available in two different sizes and heights where the small table can be neatly put under the larger table. The tables fit many of our different sofa groups and armchairs. For 2022 we add Khaki as an option on the table base and Terazzo colour/structure as an option on the table top.

VALLDA

Vallda is a series of chairs, tables and a hanging swing in natural rattan with fine details. Natural rattan is braided rattan where the skin has been retained, which gives a more natural color and natural irregularities. Rattan furniture should be placed under a roof. For 2022 we add a foot stool to the existing chairs, a side table, a dining chair and a dining table as well as a lamp-shade.

NEW

7469-7
Pego plaid

- W:115 D:35

AMARANTE

A carpet with patch pattern in blue tones. The carpet has a low dense pile with soft chenille feel and vintage character. Despite its textile appearance, Amarante is durable. The pattern picture is a game with classic oriental design and modern soft colors. Let Amarante contribute to the outdoor space. 100% polypropylene – chenille. For 2022 we add a new, larger size (200x290 cm).

NEW

7549-1
Amarante carpet

● W:200 D:290

AVERIO

Averio is a tough, hard-wearing synthetic material rug made of polypropylene. The heavy-duty weave, which is similar to natural sisal, is made using a technique reminiscent of rope making. Because Averio is resistant to water and UV light, it can be used both indoors and out without problem. For 2022 we add a larger size (230 x 340 cm) as well as a round one (280 cm).

ENIF

Enif is a stylish hammock in polyester with both a neck pillow and a practical side pocket. Aluminum rod. Can be mounted in a associated tree-friendly hanging device (purchased separately) or some form of hammock stand (eg Ede as shown on picture (purchased separately)).

8803
Enif hammock

VERANDA

Universal tree-friendly (ie does not wear on the bark) hammock device for hammock.

7999
Veranda strap kit

8801
Dvala hanging swing

DVALA

Inviting hammocks and swing for those nice, relaxing moments. The seat swing is made of fabric (cotton + polyester) with crocheted details, has an aluminum bar and is mounted either in a stand or for example in a pergola (stand and suspension chain are purchased separately). The hammocks are available in two versions, a large one in light cotton fabric with room for two persons and a traditional hammock in cotton with a neck pillow and a practical side pocket.

The hammocks have many suspension strings, which contributes to comfort and longevity. The more strings distribute the weight more evenly, which gives a feeling of weightlessness!

Both can be mounted in the associated tree-friendly hanging device (purchased separately).
