## Royal Botania's 2024 Outdoor Collections

Welcome to the world of Royal Botania, where luxury meets the great outdoors. Our 2024 collections redefine the outdoor living experience, blending supreme comfort with sophisticated design. Each piece in our range tells a story of meticulous craftsmanship, attention to detail, and a commitment to sustainable luxury.

## Ostrea Chair Collection: Versatility Elevated

From Low Dining to Bar Height

### Elegant Ergonomics and Visual Splendor

The Ostrea Chair, a jewel in the Royal Botania crown, now shines brighter with its expanded versatility. We introduce a low version for intimate low-dining settings and a counter-height variant for those elevated moments. Each version, regardless of height, continues to boast of the chair's signature visual allure and exceptional ergonomic design.

## Conix Table Collection in “Desert Concrete”

Where Warmth Meets Durability

### A New Hue of Sophistication

The Conix Table Collection, already celebrated for its sleek design and robust construction, welcomes a new aesthetic chapter with “Desert Concrete.” This addition isn’t just a new color; it’s a fusion of warmth and enhanced durability. The desert-inspired hue brings an earthy, serene palette to your outdoor space, while the crystalline finish in the top layer adds an unprecedented level of hardness, ensuring both beauty and resilience.
