Outdoor

Essentially outdoor

IT - Eliminare il superfluo in modo che solo il necessario possa parlare è la base del nostro pensiero, associato ad una visione romantica ma trasferita in linguaggio contemporaneo.

EN - We believe in stripping away the superfluous, allowing only what matters to be heard. We put a contemporary spin on a romanticised vision.

DE - Das Überflüssige beseitigen, damit nur das Notwendige zu Wort kommt: So lautet der Ausgangspunkt unseres Denkens, den wir mit einer romantischen Vision verbinden und in eine zeitgemäße Sprache übertragen.

FR - Éliminer le superflu de manière à ce que seul le nécessaire puisse parler est à la base de notre pensée et s'associe à une vision romantique mais transférée dans un langage contemporain.
