CATALOGUE 2020

PLANK®

The Plank collection is the fruit of intense research, where an innovative approach to form as well as technology underpins its design philosophy. Relations and close collaboration with designers are a key feature of our method, where frequent meetings and dialogue lead to the identification of a final product.

Plank Headquarters, Ora, Italy

A passion for research transforms Plank products from ideas and intuitions into furniture. When the highest quality of form is combined with that of technology.
